

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearsons MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearsons MyLab & Mastering products. Packages Access codes for Pearsons MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Normal 0 false false false EN-US X-NONE X-NONE Directed primarily toward undergraduate business college/university majors, this text also provides practical content to current and aspiring industry professionals. Business Statistics shows readers how to apply statistical analysis skills to real-world, decision-making problems. It uses a direct approach that consistently presents concepts and techniques in way that benefits readers of all mathematical backgrounds. This text also contains engaging business examples to show the relevance of business statistics in action. 0133098788 / 9780133098785 Business Statistics Plus MyStatLab with Pearson eText -- Access Card Package Package consists of 013302184X / 9780133021844 Business 0133029824 / 9780133029826 MyStatLab with Pearson eText -- Standalone Access Card -- for Business Statistics
