

A book judged so dangerous in the Soviet Union that not only the manuscript but the ribbons on which it had been typed were confiscated by the state, *Life and Fate* is an epic tale of World War II and a profound reckoning with the dark forces that dominated the twentieth century. Interweaving a transfixing account of the battle of Stalingrad with the story of a single middle-class family, the Shaposhnikovs, scattered by fortune from Germany to Siberia, Vasily Grossman fashions an immense, intricately detailed tapestry depicting a time of almost unimaginable horror and even stranger hope. *Life and Fate* juxtaposes bedrooms and snipers' nests, scientific laboratories and the Gulag, taking us deep into the hearts and minds of characters ranging from a boy on his way to the gas chambers to Hitler and Stalin themselves. This novel of unsparing realism and visionary moral intensity is one of the supreme achievements of modern Russian literature.

The Chronicles of Barsetshire, Volume 8, A Different War (G K Hall Large Print Book Series), Matter (Eyewitness Guides), Asymptotic Time Decay in Quantum Physics, Amos y Boris: Spanish Hardcover Edition of Amos & Boris (Spanish Edition), World Without Cancer; The Story of Vitamin B17, Big Beautiful Submission 4: Releasing Lily (Rubenesque erotic romance), Sticky Kisses, Hollywood Temptation (Seacliffe Medical Book 2),

One of the greatest works of literature to come out of Russia during the 20th century, *Life and Fate* could be looked at as the closest thing the.
