THEY SEE WHAT NO ONE ELSE SEES Every crime scene has a smell. A look. A trail of DNA. It also has a feel. An emotional residue that lingers... floating unseen, like bacteria in the air, just waiting to be absorbed. To be experienced. To be interpreted. And only the man, the woman, and the boy know this. When Kate, Weston and Christopher journey to Florida to hunt the Harbinger--a serial killer who displays the symbol of the Beast in a letter to the police--Christopher finds himself controlled by a spirit who wants payback for a decades-old murder. A spirit who sees Kate as the instrument of her revenge.
