

Lulu Welk is learning about love. Sheâ€™ll learn that love is not the same for everyone, and no two loves are alike. She will live through all the feelings that come with each love she experiences. Great loss will begin her path and she will navigate her way through the trials and lessons of love with her greatest love. She will learn that love can hurt â€“ physically and mentally â€“ but she will go on. She will learn that love can be beautifulâ€“ and confusing, but she will go on. She will learn that once trust is broken you can forgive, but its much harder to forget. But she will go on. She will learn that love can be devastating and that as hard as you try, sometimes that pain and devastation floor you. But she will go on. And she will learn that you never forget your first real love. Take a walk with Lulu and learn about love.
