

Kayla is tired of her husband's passive behavior and finds herself in the arms of Shawn, her sexy, muscle bound personal trainer. He takes her for a wild ride, which has them stealing time to sneak around town to ravage each other's bodies, taste each other and driving each other wild. He spansks and dominates her in ways that her husband won't. It's Kayla's favorite kind of punishment! EXCERPT: When I felt Shawn's belt crack against my naked ass, I felt every bit of that raw leather hide, and felt the force that he put behind it. By now, he knew my body like the back of his hand, and which buttons to push. He knew how hard to go, while easing up when necessary. And I wasn't made of glass, so I wanted him to punish me. "Oooh, yeah. Spank me, daddy," I said, as I stared at the ground, with my ass in the air, bent over his knee. I wiggled my sexy buns, so that I was in perfect position for more strikes. He was spanking me hard and making me horny with each lash of the belt.
